when thomas s wish is magically granted he can fly but it s not a soaraway success a brilliant story from award winning author sally gardner in her magical children series one day a fairy turns up at thomas top s house to grant him a birthday wish thomas wishes he could fly and soon goes from being just an ordinary boy whom no one notices to being the most popular boy in the school but his flying gets him suspended from school and that makes his dad so cross and his mum miserable then the fairy turns up again and with help from her and thomas s new friend mr vinnie a retired painter and decorator who has been flying since he was thomas s age everything changes an enchanting story about growing in confidence and using your gifts

an eight year old boy believes he can fly because his grandfather told him it was possible to do during a bed time story nick follows the instructions and discovers that he can fly maybe the end of the book leaves the reader wondering if this was a dream or reality back cover

thomas top can fly just because he couldn t think what else to say when the fat fairy turned up at his house and granted him a birthday wish flying makes thomas the most popular boy in the school but he isn t happy then he discovers how his magical gift can help him make things better

the people could fly the title story in virginia hamilton s prize winning american black folktale collection is a fantasy tale of the slaves who possessed the ancient magic words that enabled them to literally fly away to freedom and it is a moving tale of those who did not have the opportunity to fly away who remained slaves with only their imaginations to set them free as they told and retold this tale leo and diane dillon have created powerful new illustrations in full color for every page of this picture

book presentation of virginia hamilton s most beloved tale the author s original historical note as well as her previously unpublished notes are included awards for the people could fly collection a coretta scott king award a booklist children s editors choice a school library journal best books of the year a horn book fanfare an ala notable book an ncte teachers choice a new york times best illustrated children s books of the year

st joseph of copertino began having mystical visions at the age of seven but it was not until he began practicing his faith as a franciscan priest that he realized the full potential of his mind s power over his body he was able to levitate throughout his priesthood st joseph became famous for frequent levitations that were observed on hundreds of occasions and by thousands of witnesses including many skeptics michael grosso delves into the biography of the saint to explore the many strange phenomena that surrounded his life and develops potential physical explanations for some of the most astounding manifestations of his religious ecstasy grosso draws upon contemporary explorations into cognition the relationship between the human mind and body and the scientifically recorded effects of meditation and other transcendent practices to reveal the implications of st joseph s experiences and abilities

no one knows where michael comes from or who his parents are one day he starts to grow wings and his life changes forever michael moves from hospitals to research clinics to life in isolation on a remote island will he ever manage to have a normal life back cover

spanning a period of thirty years a collection of eighteen short stories includes silence of the llano in search of epifano and children of the desert
